American Library Association Library Bill of Rights

The Franklin Grove Public Library subscribes to the American Library Association Bill of Rights which states:

The American Library Association affirms that all libraries are forums for information and ideas, and that the following basic policies should guide their services:

- 1.) Books and other library resources should be provided for the interest, information, and enlightenment of all people of the community the library serves. Materials should not be excluded because of the origin, background, or views of those contributing to their creation.
- 2.) Libraries should provide materials and information presenting all points of view on current and historical issues. Materials should not be prescribed or removed because of partisan or doctrinal disapproval.
- 3.) Libraries should challenge censorship in the fulfillment of their responsibility to provide information and enlightenment.
- 4.) Libraries should cooperate with all persons and groups concerned with resisting abridgement of free expression and free access to ideas.
- 5.) A person's right to use a library should not be denied or abridged because of origin, race, age, sexual orientation, background, or views.

Libraries which make exhibit space and meeting rooms available to the public they serve should make such facilities available on the equitable basis, regardless of the beliefs or affirmations of individuals or groups requesting their use.

American Library Association Statement of Professional Ethics

The Franklin Grove Public Library subscribes to the ALA Code of Ethics which follows:

- 1.) Librarians must provide the highest level of service to all library users through appropriate and usefully organized resources; equitable service policies; equitable access; and accurate, unbiased, and courteous responses to all requests of assistance.
- 2.) Librarians must uphold the principles of intellectual freedom and resist all efforts to censor library materials.
- 3.) Librarians must protect each library user's right to privacy and confidentiality with respect to information sought or received and resources consulted, borrowed, acquired or transmitted.
- 4.) Librarians must respect intellectual property rights and advocate balance between the interests of information users and rights holders.
- 5.) Librarians must treat co-workers and other colleagues with respect, fairness, and good faith, and advocate conditions of employment that safeguard the rights and welfare of all employees.
- 6.) Librarians must not advance private interests at the expense of library users, colleagues, or other employing institutions.
- 7.) Librarians must distinguish between their personal convictions and professional duties and not allow their personal beliefs to interfere with fair representation of the aims of the institutions or the provision of access to their information resources.
- 8.) Librarians must strive for excellence in the profession by maintaining and enhancing their own knowledge and skills, by encouraging the professional development of coworkers, and by fostering the aspirations of potential members of the profession.

American Library Association Freedom to Read Statement

The Franklin Grove Public Library subscribes to the American Library Association Freedom to Read Statement which follows:

- 1.) It is in the public interest for publishers and librarians to make available the widest diversity of views and expressions, including those that are unorthodox, unpopular, or considered dangerous by the majority.
- 2.) Publishers, librarians, and booksellers do not need to endorse every idea or presentation they make available. It would conflict with the public interest for them to establish their own political, moral, or aesthetic views as a standard for determining what should be published or circulated.
- 3.) It is contrary to the public interest for publishers or librarians to bar access to writings on the basis of the personal history of political affiliations of the author.
- 4.) There is no place in our society for efforts to coerce the taste of others, to confine adults to reading matter deemed suitable for adolescents, or to inhibit the efforts of writers to achieve artistic expression.
- 5.) It is not in the public interest to force a reader to accept the pre-judgement of a label characterizing any expression or its author as subversive or dangerous.
- 6.) It is the responsibility of publishers and librarians, as guardians of the people's freedom to read, to contest encroachments upon that freedom by individuals or groups seeking to impose their own standards or tastes upon the community at large; and by the government whenever it seeks to reduce or deny public access to public information.
- 7.) It is the responsibility of publishers and librarians to give full meaning to the freedom to read by providing books that enrich the quality and diversity of thought and expression. By the exercise of this affirmative responsibility, they can demonstrate that the answer to a "bad" book is a good one, the answer to a "bad" idea is a good one.

American Library Association Freedom to View Statement

The Franklin Grove Public Library subscribes to the American Library Association Freedom to View Statement which follows:

The freedom to view, along with the freedom to speak, to hear, and to read, is protected by the First Amendment to the Constitution of the United States. In a free society, there is no place for censorship of any medium of expression. Therefore these principles are affirmed:

- 1.) To provide the broadest possible access to film, video, and other audiovisual materials because they are a means for the communication of ideas. Liberty of circulation is essential to insure the constitutional guarantees of freedom of expression.
- 2.) To protect the confidentiality of all individuals and institutions using film, video, and other audiovisual materials.
- 3.) To provide film, video, and other audiovisual materials which represent a diversity of views and expression. Selection of a work does not constitute or imply agreement with or approval of content.

4.) To provide a diversity of viewpoints without the constraint of labeling or prejudging film, video, or other audiovisual materials on the basis of the moral, religious, or political beliefs of the producer or filmmaker or on the basis of controversial content.

5.) To contest vigorously, by all lawful means, every encroachment upon the public's freedom to view.

American Library Association Ethics Statement for Public Library Trustees

The Franklin Grove Public Library subscribes to the ALA Ethics Statement for Public Library Trustees as follows:

- 1.) Trustees must promote a high level of library service while observing ethical standards.
- 2.) Trustees must avoid situations in which personal interests might be served or financial benefits gained at the expense of library users, colleagues, or the institution.
- 3.) It is incumbent upon any trustee to disqualify himself or herself immediately whenever the appearance of conflict of interest exists.
- 4.) Trustees must distinguish clearly in their actions and statements between their personal philosophies and attitudes and those of the institution, acknowledging the formal position of the board even if they personally disagree.
- 5.) A trustee must respect the confidential nature of library business while being aware of and in compliance with applicable laws governing freedom of information.
- 6.) Trustees must be prepared to support to the fullest the efforts of librarians in resisting censorship of library materials by groups or individuals.
- 7.) Trustees who accept appointment to a library board are expected to perform all of the functions of library trustees.

Authority to Spend

The library director of the Franklin Grove Public Library is authorized to spend monies as allocated in the operating budget. Any single item over \$1,000 requires prior board approval. Any expenditure that requires an overage of the operating budget by 3% or more requires prior board approval.

At Will Employment

It is the policy of the Franklin Grove Public Library that all employment is on an 'at will' basis meaning that an employee's employment may be terminated at any time with or without cause. Nothing in this manual shall be held to convey to any employee a promise or offer of any type of right to continued employment. This is not an employment contract.

Amended February 2, 2018

Bloodborne Pathogens Policy

A. While normal library operations are not likely to involve circumstances exposing employees or users to bloodborne pathogens, the FRANKLIN GROVE Public Library complies with Illinois Department of Labor regulations and therefore the federal Occupational Safety and Health Administration regulations relating to occupational exposures to bloodborne pathogens which have been incorporated by administrative actions.

B. Exposure Determination: No particular job classification of the Library has occupational exposure (meaning "reasonably anticipated contact with blood or other potentially infectious materials that may result from the performance of an employee's duties"), however, emergencies may occur with staff or patrons, particularly youth or the elderly patrons, to which library employees in all classifications may be called upon to respond with assistance. Or emergencies with "out of control" individuals (e.g. biting, spitting, etc.) could present an individual threat.

C. Universal Precautions: All potential circumstances of exposure must be taken into account by the Library and its employees to protect against exposures. Hepatitis B (HBV), human immunodeficiency virus (HIV), and other bloodborne pathogens found in human blood and other body fluids cause life threatening diseases. In emergency or other such circumstances, when contact with blood or other potentially infectious materials may result, the Library's approach to infection control requires all human blood and body fluids to be treated as if known to be infectious for HIV, HBV, and other bloodborne pathogens. Engineering and work practice controls, as mentioned below, shall be used to eliminate or minimize employee exposure, and if a possibility of exposure remains, personal protective equipment shall also be used.

D. Exposure Control Plan: At any time within the Library environment that human blood, human body fluids, or other potentially infectious materials are present, the area contaminated shall be immediately cordoned off and quarantined even if the entire library must be closed to accomplish this completely. Personal protection equipment, such as gloves, gowns, masks, etc., shall be provided and used in the cleanup and safe disposal of contaminated waste such as diapers, blood tinged materials (e.g. Band-Aids, gauze, cotton, clothing, etc.) etc. If necessary, a professional hazardous/contaminated cleanup firm shall be contacted and retained for complete cleanup and decontamination. The quarantine shall be effective until complete cleanup and disposal is obtained. Handwashing facilities are provided by the Library and must be used by the employees as soon as feasible, including following the removal of personal protective equipment. A complete record of all incidents, exposures, cleanup, and disposals shall be kept as required by the regulations.

E. Training and Immunizations: Any employee who has an occupational exposure shall be offered, at no charge, the hepatitis B vaccine series, in accordance with the regulations. Following the report of an exposure incident, the Library will make immediately available to the exposed employee, or employees, a confidential medical evaluation and follow up as provided in the regulations.

Borrowing Privileges - Registration Requirements

The FRANKLIN GROVE Public Library is a tax supported public library. This means that people residing within the jurisdictional boundaries of the FRANKLIN GROVE Public Library pay taxes to support the library. Those people who live within the jurisdictional boundaries of the FRANKLIN GROVE Public Library need pay no additional fee to be eligible to receive their first library card. Library cards are renewed every three years without additional fees provided the library card holder continues to reside within the jurisdictional boundaries of the FRANKLIN GROVE Public Library, and is a patron in good standing. There is no fee to replace damaged, destroyed, lost or stolen library cards.

As a resident card holder, the borrower identified on the valid borrower's card may physically take his or her library card to another library to borrow materials. Those materials are the responsibility of the individual who borrows them, and are subject to all of the fines, rules, and regulations of the lending library. Often libraries limit the borrowing privileges of reciprocal borrowers, thus it is best to inquire about local rules and procedures before making your selections.

Individuals residing beyond the jurisdictional boundaries of the FRANKLIN GROVE Public Library, and not within the boundaries of another public library, and owning no property within the jurisdictional boundaries of the FRANKLIN GROVE Public Library may purchase a non-resident fee card for the price of \$56.14 per year. This fee card entitles the entire family to use the FRANKLIN GROVE Public Library and Interlibrary Loan, but not neighboring libraries. Reciprocal borrowing privileges are free. If you reside beyond the jurisdictional boundaries of the FRANKLIN GROVE Public Library, but own property within the jurisdictional boundaries of the FRANKLIN GROVE Public Library, upon presentation of a tax bill bearing your name, you may receive one library card for the exclusive use of the individual whose name appears on its face without additional payment as is the case with people who reside within the jurisdictional boundaries of the FRANKLIN GROVE Public Library.

Adults wishing to register for a borrower's card, renew an expired borrower's card, or replace a lost, stolen, damaged or destroyed borrower's card at the FRANKLIN GROVE Public Library must produce one form of identification bearing their name and address. This form of identification maybe one of the following: driver's license, utility bills, mail, or voter' s registration card. Children under the age of 18 must have a parent's signature on any initial application for a library card. The application must be completed with both the child and adult present in the library. Children under the age of 18 may use the proof of residency provided by their parent. Children 18 and over may choose to provide their own proof of residency, or use that of their parent.

The library staff may not waive these regulations without the specific permission of the library director. The card must be either a resident borrower's card or a system borrower's card to be valid for reciprocal borrowing.

Budget and Finance Policy

The FRANKLIN GROVE Public Library has a board-approved written budget. This budget is developed annually as a cooperative process between the board's finance committee, the library director, and additional staff members with responsibility for budgetary elements. Each year, the board of trustees determines if the library's revenues are adequate to meet the needs of the community. If the revenues are not adequate to meet the needs of the community, the board of trustees takes action to increase the library's revenue.

On a monthly basis, the library director presents written reports on library operations to the board of trustees along with any other relevant and pertinent information.

The library maintains adequate records of library operations in a manner easily understood by the public as well as the board of trustees and library director. This record of library operations is presented at each board of trustee monthly meeting and clearly indicates the financial position of the library. In addition to the general financial position of the library, this record clearly indicates the current position of each budgetary line item including budgeted amount, receipts, monthly and year to date expenditures, and remaining budget done quarterly.

A patron who engages in any activity which materially disrupts the use of library facilities, collections or services by patrons or materially disrupts the ability of the staff to perform its duties shall cease such activity immediately upon request by library personnel.

Section 2.

In such instances involving minors, identification will be requested and the incident may be reported to the parent or guardian.

Section 3.

Library personnel will record instances in which patrons are required to leave the library in a ledger maintained by the Library for that purpose. Upon the 2nd recorded instance in which a patron is required to leave the library premises within a thirty-day period, the Director shall bar the patron from use of library premises for a period of two months. Parents or guardians of minors will be notified in writing after the 2nd recorded instance in which a minor is required to leave the Library and advised of the consequences of any further recorded instances. At the end of the two month suspension a parent or guardian must accompany the minor for a 30 visit period; during this time the parent or guardian is responsible for the conduct of the minor.

Section 5.

Parents wishing to appeal such action may do so upon written request to the Board of Library Trustees.

Section 6.

In the event a patron barred from the use of the Library attempts entry to the Library during any such period of exclusion, the police will be summoned and informed of the prior action.

Section 7.

In the event the patron persists in abusive conduct or disruptive behavior following such a period of exclusion, the Director shall report to the Board of Library Trustees such conduct following prior exclusion and the Board will consider a long-term or permanent ban of that patron.

Section 8.

This Ordinance shall take effect immediately upon enactment and approval according to law and be in full force and effect thereafter, a copy shall be posted within three days of enactment at the Library and the secretary shall maintain a certified copy in the official records of the Library available for public inspection.

Confidentiality of Records

The FRANKLIN GROVE Public Library abides by Illinois Law which states that the records of patron transactions and the identity of registered library patrons is confidential material. The FRANKLIN GROVE Public Library does not make available the records of patron transactions to any party except in compliance with the law. The FRANKLIN GROVE Public Library does not make available lists of registered library patrons except in compliance with the law.

Confidentiality Policy - Staff Handbook

Patron Requests:

A patron must present either their bar-code number or their patron ID number, either in person or on the telephone, before any information will be given concerning:

1. Items charged out
2. Items overdue
3. Fine information
4. Hold information (either items on hold or those awaiting collection)

When speaking to a family member and not to the patron, information about the material should be restricted as to information that does not reveal the content.

Sample:

2. A book that had been reserved is now in and can be picked up.

If information is requested by a person other than the patron, the staff should state that they are only permitted to discuss specific information with the patron.

Patron Information:

Address, phone numbers or any other personal information from a patron's record may not be given out without direct consent of the Library Director.

Copyright Restrictions

The copyright laws of the United States (Title 17, United States Code) govern the reproduction, distribution, adaptation, public performance, and public display of protected material.

Under certain conditions, public libraries are authorized to lend, lease, or rent copies of computer programs and videotapes to patrons for nonprofit purposes. Any person who makes an unauthorized copy or adaptation of a computer program or videotape, or redistributes the loaned copy, or publicly performs or displays the computer program or videotape, except as permitted by Title 17 of the United States Code, may be liable for copyright infringement.

This institution reserves the right to refuse to fulfill a loan request if, in its judgment, fulfillment of the request would likely lead to violation of the copyright law.

Discipline Policy

To ensure that all patrons may have considerate use of the FRANKLIN GROVE Public Library, appropriate behavior is expected. Violation of any of the following rules will result in a warning and/or expulsion from the property. Whenever necessary police will be contacted. Display Space

The FRANKLIN GROVE Public Library maintains bulletin boards and display cases for the exclusive purpose of promoting the services and programs of the Library. Library property (i.e., print and non-print materials, equipment, supplies, and/or any personal property) which in the judgment of the Library Director is no longer necessary or useful for library purposes may be disposed of in the following manner:

1. Books and non-print materials from the library's collection, or gift materials, may be discarded, sold, or upon the approval of the Board of Library Trustees be given to local philanthropic, educational, cultural, government, or other not-for-profit organizations.

5. Any personal property having a unit value of more than \$1,000 but less than \$2,500 will be displayed at the Library and a public notice of its availability, the date and terms of the proposed sale shall be posted.

Division of Responsibility Between Board and Librarian

Under the Illinois Public Library Law (75 ILCS 5/1, et seq) the Board of Library Trustees is, among other functions, empowered to formulate "reasonable rules and regulations in order to render the use of the library of the greatest benefit to the greatest number" and to "appoint a competent librarian and necessary assistants, to fix their compensation, to remove such appointees, and to retain professional consultants as needed." Thus, in defining and delineating the division of responsibility between the Board and the librarian, the Board recognizes that the ultimate responsibility to the community to provide "the greatest benefit to the greatest number" rests with the Board.

Policy determination is the Board's power and duty. Management is the administrative librarian's responsibility, for which he or she is responsible to the Board. The division and sharing of these responsibilities fall into various categories.

Joint responsibility.

Joint responsibility.

Both the Board and the Librarian shall know local, state, and national laws which affect libraries and play an active role in initiating and supporting beneficial library legislation; shall participate fully in the library system and make use of the consultants of the Illinois State Library; shall attend regional, state and national library association meetings and workshops when possible and join appropriate organizations working for improved libraries and shall study library publications.

Drug and Alcohol-Free Library Policy

The FRANKLIN GROVE Public Library has long recognized that the non-medical use of controlled substances is hazardous to the health of the patrons and employees of the Library. Additionally, the use of alcohol by patrons is recognized as both hazardous and often illegal; and the irresponsible use of alcohol by employees is detrimental to the library environment. The illicit manufacture, use, possession, or distribution of controlled substances, look-alike drugs, drug paraphernalia, and the manufacture, use, possession or distribution of alcoholic beverages, marijuana and its derivatives as defined by Illinois and Federal statute, at any time, is not permitted at any library location. "Library location" means in any library building, on any library premises, in any library owned vehicle, or at any library-sponsored activity where patrons or employees are engaged in activities under the jurisdiction of the Library. This shall include any period of time when an employee is supervising students on behalf of a school district, or is otherwise engaged in library business.

Any employee who violates the term of the Library's drug and alcohol policy may be suspended or terminated pursuant to the rules and regulations of the Library and applicable state statutes. The Library may in its discretion refer incidents to appropriate legal authorities for prosecution when this policy is violated. Sanctions against employees shall be in accordance with prescribed library regulations and procedures. The Library's employees, as a condition of their employment, agree to abide by the terms of this policy and to notify the Library, no later than five (5) days after a conviction, of any criminal drug or alcohol statute conviction for a violation occurring at a library location.

The Library, if or when required by law, shall report such conviction to the appropriate authorities.

A patron who violates the terms of this policy may be expelled from the library location involved or any library location at the discretion of the Library and use privileges may be suspended for a specified period of time. The Library may, in its discretion, refer incidents to appropriate legal authority for prosecution when this policy is violated. Sanctions against patrons shall be in accordance with prescribed library regulations and procedures.

Exhibits

Occasionally, exhibits from sources within the community may be allowed in the library. All exhibits considered for space within the library must support the mission of the library, and not cause disruption of the regular flow of library work and service. Such exhibits will remain in place for not longer than four weeks with set up and removal being the responsibility of the exhibitor. The library assumes no liability for damage or loss relating to any exhibit set up for public viewing in the library and will take no extraordinary measures to insure its safety.

Friends of the Library

The Board of Library Trustees of the FRANKLIN GROVE Public Library looks upon the establishment of the Friends of the FRANKLIN GROVE Public Library as a worthwhile community endeavor which will benefit the library.

Complete advance information regarding all Friends of the Library projects shall be provided to the Library Director and the Board of Library Trustees of the FRANKLIN GROVE Public Library. The Board of Library Trustees acknowledges that it does not supervise the activities of the Friends of the Library, but the Board reserves the right not to participate in any Friends projects in which the Board does not believe the best interest of the Library is being served.

The Board of Library Trustees acknowledges that the Friends of the Library is an organization separate and apart from the FRANKLIN GROVE Public Library and that the Friends of the Library has its own Board and its own goals and purposes.

Friends of the FRANKLIN GROVE Public Library is distinct and separate from the Library, and neither the Friends of the Library as an organization nor any member or participant thereof may assume any liability or take or authorize any act on behalf of the FRANKLIN GROVE Public Library.

Because Friends of the FRANKLIN GROVE Public Library is an organization comprised solely of volunteers distinct and separate from Library personnel, no Library personnel shall perform any duty or take any act on behalf of the Friends of the Library, except Library staff members may act in an advisory capacity for Friends activities.

Operating expenses of the FRANKLIN GROVE Public Library are provided through allocation of tax monies which are audited by an independent auditor. Friends of the FRANKLIN GROVE Public Library funds and Library funds shall not be commingled or integrated, except that gifts from Friends of the FRANKLIN GROVE Public Library may be accepted by the Library; whereupon, said gifts shall become solely the funds of the Library but shall be expended for the specific purpose for which the gift or donation has been made by the Friends. In the event the FRANKLIN GROVE Public Library becomes the custodian of any Friends funds, those funds shall be kept as separate "funds" for audit and bookkeeping purposes.

Complete advance information regarding all Friends of the FRANKLIN GROVE Public Library public relations programs on behalf of the FRANKLIN GROVE Public Library shall be provided to the Library Director and the Board of Library Trustees of the FRANKLIN GROVE Public Library. The Board of Library Trustees acknowledges that it does not supervise the public relation programs of the Friends of the Library, but the Board reserves the right not to participate in any public relations project or program in which the Board does not believe the best interest of the Library is being served. Public relations programs adopted by Friends shall not be part of the budget of or funded by the FRANKLIN GROVE Public Library.

General Policy

The FRANKLIN GROVE Public Library shall provide tax supported service to all persons residing within the corporate limits of the library district. It shall have as its basic objective the provision of professionally selected materials and information, which aid the individual or the group in the pursuit of education, information or research, and in the creative and recreational use of leisure time.

Educational service to adults and to children both as individuals and as members of organizations, is a primary function of this library. Consequently, the library shall pursue an active program of leadership and cooperation with other agencies in encouraging the use of significant material representing all points of view and the preservation of historical resources pertaining to the surrounding area.

The library's materials budget will be allocated to resources that support these roles in accordance with established guidelines. In meeting its objectives of providing recreational material, the library shall encourage such use of leisure time as it will promote the personal development and social well-being of the library patron.

Gifts to the Library

General. The FRANKLIN GROVE Public Library is grateful for gifts, and its collection has been enriched by donations of materials as well as contributions. Through donors, the library has been able to acquire materials, which could not have been purchased otherwise. The library staff can supply, upon request, a list of needed materials for consideration by the donor.

Donation of Books and Audio Visual Materials. In accepting a gift of materials the library reserves the privilege of deciding whether items donated should be added to the collection. Out of the many books and other materials which citizens so generously give, a considerable proportion can be used. Some cannot, because any library material, though of value in itself, may be; (1) a duplicate of an item of which the library already has a sufficient number; (2) outdated – interesting but not of sufficient present reference or circulating value to the library; and/or (3) in poor condition – which would not justify the expense of processing it, i.e. cataloging and preparing it for circulation. The material will be judged by the same standards of selection as those applied to the purchase of new materials. The FRANKLIN GROVE Public Library accepts gift books with the understanding that books which are useful to the library collection will be retained, and other books disposed of in whatever manner the librarian deems best. The Library necessarily reserves the right to interfile gifts with other collections on the same subject, so that all collections are organized and classified according to library standards for the best public service.

Gift Book Program. The Library welcomes monetary contributions specifically for book purchases in memorial to or honor of named individuals. In order that the Library can properly honor the generosity a special form to record the information is used and should be completed.

Donation of Art Objects and Other Types of Materials. Although such gifts are usually welcomed and valued, final decision on their acceptance rests with the Library Director and the Board of Library Trustees.

Donations – Others e.g. Monetary. The Library welcomes cash contributions gifts of real property, stocks and bonds. It is our custom to expend cash gifts on materials, equipment, or a project, which is acceptable to the donor. Although it is unlikely, there may be an occasion in which the restrictions set by the donor make it impossible for the library to accept the contribution. All donations are subject to the approval of the Library Director with the backing of the Library Board of Library Trustees.

Recognition of Gifts. For memorial books to the library, the library may place within the book the name of the donor, if desired.

Use of Gifts. All gifts are accepted with the understanding that it may someday be necessary that they be sold or disposed of in the best interest of the library. The Library cannot commit itself to perpetually housing a donation.

Income Tax Statements. The library cannot appraise the value of a donation of materials or art. It will, however, issue the donor a letter acknowledging the donation. It is the donor's decision whether he or she will determine the value of the donation or utilize an independent appraiser. While the gifts to the Library as a governmental unit qualify as tax deductible, the donor will have to consider the particular circumstances of his or her situation for the specific effect.

Restriction. No donation can be accepted unless it is given to the library without restrictions. All gifts may be used, sold or disposed of in the best interest of the library. All donations are accepted only if in the opinion of the Library Director and the Board of Library Trustees they are in the best interests of the library.

Form. A Gift Agreement Form must be signed by the donor and approved by the Library Director for unrestricted gifts and the Board of Library Trustees for restricted gifts.

The FRANKLIN GROVE Public Library complies with the requirements of federal immigration law. The Library shall have a properly completed Form I-9 for all employees hired after 1988 kept as a part of its permanent personnel records.

Indemnification and Insurance

Section 1. The FRANKLIN GROVE Public Library shall indemnify and hold harmless any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative or investigative (other than an action by or in the right of the Library) by reason of the fact that he or she is or was a trustee, officer, employee or agent of the Library, or who is or was serving at the request of the Library as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees), judgments, fines and amounts paid in settlement actually and reasonably incurred by such person in connection with such action, suit or proceeding, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Library, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not, of itself, create a presumption that the person did not act in good faith and in a manner which he or she reasonably believed to be in, or not opposed to, the best interests of the Library, or, with respect to any criminal action or proceeding, that the person had reasonable cause to believe that his or her conduct was unlawful.

Section 2. The Library shall indemnify and hold harmless any person who was or is a party, or is threatened to be made a party to any threatened, pending or completed action or suit by or in the right of the Library to procure a judgment in its favor by reason of the fact that such a person is or was a trustee, officer, employee or agent of the Library, or is or was serving at the request of the Library as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against expenses (including attorneys' fees) actually and reasonably incurred by such person in connection with the defense or settlement of such action or suit, if such person acted in good faith and in a manner he or she reasonably believed to be in, or not opposed to, the best interests of the Library, provided that no indemnification shall be made in respect of any claim, issue or matter as to which person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Library, unless, and only to the extent that the court in which such action or suit was brought shall determine upon application that, despite the adjudication of liability, but in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses as the court shall deem proper.

Section 3. To the extent that a trustee, officer, employee or agent of the Library has been successful, on the merits or otherwise, in the defense of any action, suit, or proceeding referred to in Sections (1) and (2) of this Policy, or in defense of any claim, issue or matter therein, such person shall be indemnified and held harmless against expense (including attorneys' fees) actually and reasonably incurred by such person in connection therewith.

Section 4. Any indemnification under Section (1) and (2) of this Policy or (unless ordered by a court) shall be made by the Library only as authorized in the specific case, upon a determination that indemnification of the trustee, officer, employee or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in Sections (1) and (2) of this Policy. Such determination shall be made (i) by the Board of Library Trustees by a majority vote of a quorum consisting of trustees who were not parties to such action, suit or proceeding, or (ii) if such a quorum is

not obtainable, or, even if obtainable, a quorum of disinterested trustees so directs, by independent legal counsel in a written opinion. **INDEMNIFICATION AND INSURANCE (CONTINUED)**

Section 5. Expenses incurred in defending a civil or criminal action, suit or proceeding may be paid by the Library in advance of the final disposition of such action, suit or proceeding as authorized by the Board of Library Trustees in the specific case, upon receipt of an undertaking by or on behalf of the trustee, officer, employee or agent to repay such amount, unless it shall ultimately be determined that he or she is entitled to be indemnified by the Library as authorized in this Policy.

Section 6. The indemnification provided by this Policy shall not be deemed exclusive of any other rights to which those seeking indemnification may be entitled under any agreement, vote of disinterested trustees, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and shall continue as to a person who has ceased to be a trustee, officer, employee or agent, and shall inure to the benefit of the heirs, executors and administrators or such a person.

Section 7. The Library may purchase and maintain insurance on behalf of any person who is or was a trustee, officer, employee or agent of the Library, or who is or was serving at the request of the Library as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, against any liability asserted against such person and incurred by such person in any such capacity, or arising out of his or her status as such, whether or not the Library would have the power to indemnify such person against such liability under the provisions of this Policy.

Section 8. For the purposes of this Policy, references to "the Library" shall include, in addition to the surviving Library, any merging Library (including any Library having merged with a merging Library) absorbed in a merger which, if the separate existence had continued, would have had the power and authority to indemnify its trustee, officers, employee or agents, so that any person who was a trustee, officer, employee or agent of such merging Library, or was serving at the request of such merging Library as a director, officer, employee or agent of another corporation, partnership, joint venture, trust or other enterprise, shall stand in the same position under the provisions of this Policy with respect to the surviving Library as such person would have with respect to such merging Library if its separate existence had continued.

[ABSTRACT OF THIS POLICY: ASSETS OF THE LIBRARY ARE AVAILABLE TO LIBRARY TRUSTEES AND EMPLOYEES TO PROTECT THEM FROM THEIR ACTIONS. IT ALSO PERMITS THE LIBRARY TO PURCHASE INSURANCE.]

INVESTMENT OF PUBLIC FUNDS

PURPOSE. The purpose of this policy statement is to outline the responsibilities, general objectives, and specific guidelines for management of public funds by the FRANKLIN GROVE Public Library.

RESPONSIBILITIES. All investment policies and procedures of the FRANKLIN GROVE Public Library will be in accordance with Illinois Law. The authority of the Library Board of Library Trustees to control and invest public funds is defined in Illinois Public Funds Investment Act (30 ILCS 235/1) and the investments permitted are described therein. Administration and execution of these policies are the responsibility of the Treasurer, and by designation the Library Director acting under the authority of the Library Board of Library Trustees. Investments, fund balances and the status of such accounts will be reported at each regularly scheduled meeting of the Library Board.

OBJECTIVES. In selecting financial institutions and investment instruments to be used, the following general objectives should be considered:

- Safety;
- Maintenance of sufficient liquidity to meet current obligations
- Return on investment; and
- Simplicity of management.

GUIDELINES.

The following guidelines should be used to meet the general investment objectives:

A) Safety.

1. Investments will be made only in securities guaranteed by the U.S. government, or in FDIC or FSLIC insured institutions. Deposit accounts in banks or savings and loan institutions will not exceed the amount insured by FDIC or FSLIC coverage.
2. Authorized investments include and will primarily consist of: Certificates of Deposit, Treasury Bills and other securities guaranteed by the U.S. Government, participation in the State of Illinois Public Treasurer's Investment Pool, and any other investments allowed under State law that satisfy the investment objectives of the library district.

B) Maintenance of sufficient liquidity to meet current obligations: In general, investments should be managed to meet liquidity needs for the current month plus one month (based on forecasted needs).

C) Return on Investment: Within the constraints on Illinois law and this investment policy, every effort should be made to maximize return on investments made. All available funds will be placed in investments or kept in interest bearing deposit accounts at all times.

D) Simplicity of Management: The time required by library administrative staff to manage investments shall be kept to a minimum.

Leaves

SICK LEAVE

Part-time employees working 15-29 hours per week are allowed paid sick leave of 20 hours per year with accumulation of up to 60 hours. The Director is allowed paid sick leave of 70 hours per year with accumulation of up to 210 hours. Sick leave may also be used to care for a family member of the immediate family or for medical appointments that can only be scheduled during working hours. If all accrued sick leave has been used, the part-time employee may opt to apply for an extended leave as outlined below.

Year begins on January 1 and ends on December 31 (calendar year). Any employee hired after January 1 will have sick leave prorated based on their start of employment date. Earned sick leave will be recorded on each employee's personnel record. All absences charged to sick leave will be reported directly to the Director. Use of sick leave will be recorded on the employee's personnel record by date and these records will be used as the basis for recommendations on leave privileges and promotions. Job attendance is very important in performance ratings.

In the event of separation, no compensation will be made for accrued sick leave for employees.

EXTENDED LEAVE

Full time employees may take extended leave if the situations listed below apply: for the birth and care of the newborn child of the employee; for placement with the employee of a son or daughter for adoption or foster care; to care for an immediate family member (spouse, child, or parent) with a serious health condition; or to take medical leave when the employee is unable to work because of a serious health condition.

The Library Board of Trustees must approve extended leave requests. Extended leave shall constitute up to 6 weeks of unpaid leave.

FUNERAL LEAVE

Annually employees may take up to three days leave with pay in the case of a death in the immediate family. Immediate family includes grandparents, parents, guardians, siblings, spouse, or child.

In the case of other family members (aunt, uncle, niece, nephew) one day of paid leave will be allowed. Other requests for funeral leave will be considered on an individual basis by the Director.

JURY DUTY, COURT LEAVE, VOTING PRIVILEGES

Employees who are called to serve on jury duty, receive a subpoena, or are ordered by a court order to attend court or pre-court proceedings will be granted leave with pay minus the amount received for that service. In accordance with the state law, an employee will be allowed enough time to vote if prior arrangements are made with the Director.

Amended June 6, 2006 Amended February 2, 2018

Materials Selection Policy

The authority and responsibility for the selection of library materials are delegated to the library director and, under his or her direction, to additional staff members who are qualified for this activity. No employee may be disciplined or dismissed for the selection of library materials when the selection is made in good faith and in accordance with the written policy required to be established pursuant to Illinois Library Law. Suggestions from patrons are welcome and will be considered using the same criteria as all other selections.

In accordance with the recommendations of *Serving Our Public: Standards for Illinois Public Libraries*, the FRANKLIN GROVE Public Library will allocate not less than 12% of its operating budget on materials for patrons every year. These materials will be selected in a variety of formats including, but not limited to, print, video, sound recording, and electronic media. Each type of material must be considered in terms of its own excellence and the audience for whom it is intended. No single standard can be applied in all cases. Some materials may be judged primarily in terms of artistic merit, scholarship, or value to humanity; others are selected to satisfy the informational, recreational, or educational interests of the community.

Reviews in professionally recognized periodicals are a primary source for materials selection. Standard bibliographies, booklists by recognized authorities including best seller lists, and the advice of competent people in specific subject areas also will be used.

The library keeps the collection vital and useful by retaining or replacing essential materials, and by removing, on a systematic and continuous basis, those works that are worn, outdated, of little historical significance, or no longer in demand. Materials which are removed from the library collection may or may not be made available for public purchase at book sales.

The FRANKLIN GROVE Public Library endeavors to build a collection representing varying points of view. The choice of library materials by users is an individual matter. Responsibility for the reading materials of children and adolescents rests with their parents or legal guardians. While a person may reject materials for himself or herself and for his or her children, he or she cannot exercise censorship to restrict access to the materials by others. The library supports intellectual freedom and has adopted the following statements as policy: *ALA Freedom to Read Statement*, *ALA Library Bill of Rights*, and the "Freedom to View" statement of the American Film and Video Association.

Requests for reconsideration may be made only by registered patrons and shall be made in writing and given to the library director for a written response. Appeals are directed to the Board for the final decision.

Private groups may reserve the use of the room at a rate of \$10.00 per hour. 2. A minimum three (3) day notification of cancellation for full refund of deposit. 3. All community groups, clubs, organizations, businesses, and NFP groups within the Franklin Grove area may reserve the use of the Meeting Room free of charge. Meetings and Telephone Conferencing

The fullest participation and attendance in all Board meetings should be achieved whenever possible; and the use of telephone conferencing for meeting attendance, voting and quorum requirements, at least in some governmental meetings, is permissible so long as the conduct of the meeting is in accordance with the Open Meetings Act. The Board in all of its regular and special meetings and committee meetings complies and intends to comply with the provisions of the Open Meetings Act. When needed, the capabilities of telephone conferencing for its meetings, as more specifically set out in this policy, will enhance and further the public's business as conducted by the Board of Library Trustees as follows:

Section 1. All pertinent provisions of the Open Meetings Act must be complied with, including specifically the proper notice of any regular or special meeting, the proper recordkeeping or minutes of each meeting, the appropriate agenda preparation for each meeting which, in addition, shall be posted along with the notice of the meeting; and any use of closed sessions shall be in compliance with the provisions of the Act.

Section 2. The location of the meeting included on the notice shall be equipped with a suitable speaker-phone system in order that the public audience, the Board members in attendance and any staff or guests will be able to hear any input, vote or discussion of the teleconference and that any other location where the Board conducts regular business shall have similar speaker-phone capabilities for use by Board members, staff or public audience to attend at that location, if requested at least 24 hours in advance of the meeting.

Section 3. That sufficient security and identification procedures be employed, either at the outset of any meeting or at any time during the meeting as appropriate, to ensure that any and all Board members attending for quorum or voting purposes are in fact an authorized Board member with the right to speak and vote.

Section 4. As soon as it becomes apparent to the Board that a meeting will require telephone conferencing, all subsequent notices of the meeting shall indicate that one or more Board members will or may be attending by telephone connection, and the location or locations where speaker-phones will be available shall be noted thereon. In the event that the notice of the meeting has already been disseminated and posted, a follow-up notice indicating the above shall be placed as soon as possible. In the event any news media have filed the annual request for notice of meetings, they shall receive an updated notice in the same manner as given to all members of the Board.

Section 5. All Board members attending meetings by telephone conference shall be counted for quorum purposes and entitled to vote as if they were personally and physically present at the meeting site so long as the telephone connection exists.

Section 6. This policy shall not be construed to mean that teleconferencing shall be regularly used or used at every meeting of the Board but shall be used only as necessary to allow the participation of Board members who are unable to attend in person due to circumstances beyond their control.

Section 7. The meeting minutes shall indicate those Board members who attend by telephone connection, and in the event the entire meeting is not so attended, shall indicate those portions of the meeting, which were attended by telephone conference.

Public Access to Electronic Information Networks

ELECTRONIC NETWORKS AND THE LIBRARY' S MISSION

Libraries make it possible for citizens to have access to the information they need to make informed decisions. As a member of the Illinois Library and Information Network (ILLINET), the FRANKLIN GROVE Public Library is committed to networking which represents good public policy by maximizing the use of the resources of all types of libraries. Every library user benefits from expanded access to information beyond the four walls of a single library building.

The FRANKLIN GROVE Public Library and all ILLINET libraries use electronic information networks such as the Internet for a variety of purposes:

1. access to shared automation systems that provide bibliographic access to the collections of the local library and libraries in the region and across the state;
2. access to the wealth of information resources available via the Internet; and
3. access to general and specialized shared licensed databases available to ILLINET member libraries through regional and statewide cooperative programs. Internet electronic mail service is available to patrons in libraries that elect to offer this service. In many areas of Illinois, regional community information networks are operational and offer library patrons access to Internet electronic mail and related services.

RELATIONSHIP TO OTHER LIBRARY POLICIES

The FRANKLIN GROVE Public Library' s Policy for Access to Electronic Information Networks is part of the library's overall policy structure and should be interpreted in conjunction with other existing policies. Copies of all library policies are available upon request from a library staff member.

"GLOBAL" VERSUS "LOCAL" RESOURCES

Most resources available via the Internet and other electronic information networks are "global" resources rather than "local" resources. The library does not and cannot control the information content available through global resources such as information obtained from outside sources via the Internet. Internet resources enhance and supplement resources that are available locally within a library. Library users must be aware that this library does not exercise control over information obtained via the Internet and must keep in mind the following points when evaluating information obtained via the Internet:

1. Information obtained via the Internet may or may not be reliable and may or may not be obtained from a reliable source.
2. Information obtained via the Internet may or may not be accurate.
3. Information obtained via the Internet may or may not be current and up to date.
4. Links to information on the Internet may not always be valid, and particular information sites on the Internet may sometimes be unavailable and this unavailability often occurs unpredictably.
5. Certain information obtained via the Internet may be considered controversial by some library patrons.

The FRANKLIN GROVE Public Library urges library patrons to be informed consumers and carefully evaluate information obtained via the Internet. Library staff may be available to assist patrons in making judgments about the reliability or currency of certain types of Internet information sources, but are unable to provide definitive analysis of particular sources due to the extremely large variety and volume of information available via the Internet.

This library is not responsible for damages, indirect or direct, arising from a library patron's use of Internet information resources.

LIBRARY PATRONS RIGHTS

Library patrons have certain rights with respect to use of electronic information networks such as the Internet. This library will work with other libraries in the Illinois Library and Information Network to preserve and protect these rights, subject to limitations imposed by licensing and payment agreements with database providers.

Library patrons have the right to confidentiality and privacy in the use of electronic information networks to the extent possible given certain constraints such as proximity of other patrons and staff in public access settings.

Library patrons have the right to equitable access to electronic information networks.

Library patrons have the right to access and read all library service policies and discuss questions with appropriate library staff.

PATRON ASSISTANCE AND INSTRUCTION

The FRANKLIN GROVE Public Library's staff may provide assistance to patrons in the use of electronic information networks as time and staff knowledge permits. Printed and online documentation and instructions are available at or near points of service. Formal instruction in particular aspects of electronic information network use may be available.

USE OF EQUIPMENT AND NETWORKS

The FRANKLIN GROVE Public Library requires that library patrons using electronic information networks such as the Internet do so within the guidelines of acceptable use. The following activities are unacceptable:

1. use of electronic information networks for any purpose which results in the harassment of other users;
2. destruction of, damage to or unauthorized alteration of the library's computer equipment software, or network security procedures;
3. use of electronic information networks in any way, which violates a Federal or State law;
4. use of electronic information networks in any way which violates licensing and payment agreements between [this library] and network/database providers,
5. unauthorized duplication of copy protected software or violation of software license agreements;
6. violation of system security; and

7. behaving in a manner that is disruptive to other users, including but not limited to overuse of computer equipment which serves to deny access to other users.

CHILDREN'S ACCESS TO ELECTRONIC INFORMATION NETWORKS

The FRANKLIN GROVE Public Library supports the right of all library users to access information and will not deny access to electronic information networks based solely on age.

This library recognizes that the electronic information networks such as the Internet may contain material that is inappropriate for children. Parents are expected to monitor and supervise their children's use of the Internet. Library staff are unable to monitor children's use. Parents are encouraged to discuss with their children issues of appropriate use and electronic information network safety.

LIBRARY PROCEDURES RELATING TO ELECTRONIC NETWORKS

This library has developed certain procedures to assist staff and patrons in the use of electronic information resources. These procedures include (but are not necessarily limited to) the following:

1. time limits for access to allow use of resources by the maximum number of library patrons;
2. cost recovery for printouts using the library's computer equipment;
3. priority usage for accessing the library's online catalog;
4. specific instructions for downloading including compliance with virus protection measures;
5. restrictions on the use of personal software on library computer equipment; and
6. a registration and use agreement form which must be completed prior to usage.

BREACH OF POLICY

Violation of any aspect of this policy will result in the loss of library privileges for one month for the first offense and suspension of library privileges for one year for the second offense.

Reference Service

The FRANKLIN GROVE Public Library serves a diverse public with unique individual needs and levels of ability to conduct research independently. At times of peak activity within the library, it is mandatory that rules for providing reference assistance be established. The most recent standards document, *Serving Our Public: Standards for Illinois Public Libraries* provides the model for this reference policy.

The board of trustees and library director of the FRANKLIN GROVE Public Library encourages staff of all levels to pursue continuing education opportunities which will enable them to better meet the needs of the library's patrons. All staff members are taught to treat each question asked with respect insofar as the level of assistance required and the topic of the question. Names of users and the transactions, which occur between users and the staff are confidential and are not to be discussed outside a professional context.

Reference service and materials are available to all persons who reside within the jurisdictional boundaries of the library regardless of the age, race, sex, sexual orientation, social or economic status of the patron. Reference service and materials are available during all hours the library is open and is provided in response to all forms of inquiry including but not limited to patrons in the library, the telephone, telefacsimile, and TTY. The reference questions of patrons visiting the library are given the highest priority. All requests for information receive an answer or status report within one working day. Questions which cannot be answered with on-site resources are referred to another agency. Such referrals are verified and/or mediated by library staff.

In the instance of legal, medical, investment, or tax reference questions, the staff may only guide the patron to the material available on the topic of interest. The staff may not evaluate or interpret the information provided nor may the staff define the meaning of terms, offer investment advice, select income tax forms or serve as a surrogate for a professional in any of the fields listed above. If all materials within the library are beyond the understanding of the patron, the patron will be advised to consult with a professional in the above listed fields for additional information or advice.

Reference materials regardless of format may not be removed from the library.

The library treasurer of the FRANKLIN GROVE Public Library is authorized to transfer funds from one library account to another library account for payment of monthly library bills, which have been approved by the board of trustees. The library director of the FRANKLIN GROVE Public Library is not authorized to sign checks, or receive cash from library accounts except when the board of trustees authorizes such action through the approval of checks to reimburse petty cash.

SEXUAL HARRASSMENT

I. PROHIBITION ON SEXUAL HARRASSMENT

It is unlawful to harass a person because of that person's sex. The courts have determined that sexual harassment is a form of discrimination under Title VII of the U.S. Civil Rights Act of 1964, as amended in 1991. All persons have a right to work in an environment free from sexual harassment. Sexual harassment is unacceptable misconduct, which affects individuals of all genders and sexual orientations. It is a policy of FRANKLIN GROVE Public library to prohibit harassment of any person by any municipal official, municipal agent, municipal employee or municipal agency or office on the basis of sex or gender. All municipal officials, municipal agents, municipal employees and municipal agencies or offices are prohibited from sexually harassing any person, regardless of any employment relationship or lack thereof.

II. DEFINITION OF SEXUAL HARRASSMENT

This policy adopts the definition of sexual harassment as stated in the Illinois Human Rights Act, which currently defines sexual harassment as:

Any unwelcome sexual advances or requests for sexual favors or any conduct of a sexual nature when:

- (1) Submission to such conduct is made either explicitly or implicitly a term or condition of an individual's employment;
- (2) Submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
- (3) Such conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive working environment.

Conduct which may constitute sexual harassment includes:

- Verbal: sexual innuendos, suggestive comments, insults, humor, and jokes about sex, anatomy or gender-specific traits, sexual propositions, threats, repeated requests for dates, or statements about other employees, even outside of their presence, of a sexual nature.
- Non-verbal: suggestive or insulting sounds (whistling), leering, obscene gestures, sexually suggestive bodily gestures, "catcalls", "smacking" or "kissing" noises.
- Visual: posters, signs, pin-ups or slogans of a sexual nature, viewing pornographic material or websites.
- Physical: touching, unwelcome hugging or kissing, pinching, brushing the body, any coerced sexual act or actual assault.
- Textual/Electronic: "sexting" (electronically sending messages with sexual content, including pictures and video), the use of sexually explicit language, harassment, cyber stalking and threats via all forms of electronic communication (e-mail, text/picture/video messages, intranet/on-line postings, blogs, instant messages and social network websites like Facebook and Twitter).

The most severe and overt forms of sexual harassment are easier to determine. However, some forms of sexual harassment may be depend, to some extent, on individual perception and interpretation. The courts will assess sexual harassment by a standard of what would offend a "reasonable person."

III. PROCEDURE FOR REPORTING AN ALLEGATION OF SEXUAL HARRASSMENT

An employee who either observes sexual harassment or believes herself/himself to be the object of sexual harassment are encouraged, but not required, to deal with the incident(s) as directly and firmly as possible by clearly communicating her/his position to the offending employee, and her/his immediate supervisor. If an employee either observes or believes themselves to be a target of sexual harassment, but does not feel comfortable immediately confronting the offending employee, they may report the incident to her/his immediate supervisor at a later time. It is not necessary for sexual harassment to be directed at the person making the report.

Any employee may report conduct which is believed to be sexual harassment, including the following:

- *Electronic/Direct Communication.* If there is sexual harassing behavior in the workplace, the harassed employee should directly and clearly express her/his objection that the conduct is unwelcome and request that the offending behavior stop. The initial message may be verbal. If subsequent messages are needed, they should be put in writing in a note or a memo.
- *Contact with Supervisory Personnel.* At the same time direct communication is undertaken, or in the event the employee feels threatened or intimidated by the situation, the problem must be promptly reported to the immediate supervisor of the person making the report, a department head, a director of human resources, an ethics officer, the city manager or administrator, or the chief executive officer of the municipality. The employee experiencing what he or she believes to be sexual harassment must not assume that the employer is aware of the conduct. If there are no witnesses and the victim fails to notify a supervisor or other responsible officer, the municipality will not be presumed to have knowledge of the harassment.
- *Resolution Outside Municipality.* The purpose of this policy is to establish prompt, thorough and effective procedures for responding to every report and incident so that problems can be identified and remedied by the municipality. However, all municipal employees have the right to contact the Illinois Department of Human Rights (IDHR) or the Equal Employment Opportunity Commission (EEOC) for information regarding filing a formal complaint with those entities. An IDHR complaint must be filed within 180 days of the alleged incident(s) unless it is a continuing offense. A complaint with the EEOC must be filed within 300 days. Documentation of any incident may be submitted with any report (what was said or done, the date, the time and the place), including, but not limited to, written records such as letters, notes, memos and telephone messages. All allegations, including anonymous reports, will be accepted and investigated regardless of how the matter comes to the attention of the municipality. However, because of the serious implications of sexual harassment charges and the difficulties associated with their investigation and the questions of credibility involved, the claimant's willing cooperation is a vital component of an effective inquiry and an appropriate outcome.

IV. PROHIBITION ON RETALIATION FOR REPORTING SEXUAL HARASSMENT

ALLEGATIONS

No municipal official, municipal agency, municipal employee or municipal agency or office shall take any retaliatory action against any municipal employee due to a municipal employee's:

1. Disclosure or threatened disclosure of any violation of this policy;
2. The provision of information related to or testimony before any public body conducting an investigation, hearing or inquiry into any violation of this policy; or
3. Assistance or participation in a proceeding to enforce the provisions of this policy.

For the purposes of this policy, retaliatory action means the reprimand, discharge, suspension, demotion, denial of promotion or transfer, or change in the terms or conditions of employment of any municipal employee that is taken in retaliation for a municipal employee's involvement in protected activity pursuant to this policy.

No individual making a report will be retaliated against even if a report made in good faith is not substantiated. In addition, any witness will be protected from retaliation. Similar to the prohibition against retaliation contained herein, the State Officials and Employees Ethics Act (5 ILCS 430/15-10) provides whistleblower protection from retaliatory action such as reprimand, discharge, suspension, demotion, or denial of promotion or transfer that occurs in retaliation for an employee who does any of the following:

1. Discloses or threatens to disclose to a supervisor or to a public body an activity, policy, or practice of any officer, member, State agency, or other State employee that the State employee reasonably believes is in violation of a law, rule, or regulation;
2. Provides information to or testifies before any public body conducting an investigation, hearing, or inquiry into any violation of a law, rule, or regulation by any officer, member, State agency or other State employee; or
3. Assists or participates in a proceeding to enforce the provisions of the State Officials and Employees Ethics Act. Pursuant to the Whistleblower Act (740 ILCS 174/15(a)), an employer may not retaliate against an employee who discloses information in a court, an administrative hearing, or before a legislative commission or committee, or in any other proceeding, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. In addition, an employer may not retaliate against an employee for disclosing information to a government or law enforcement agency, where the employee has reasonable cause to believe that the information discloses a violation of a State or federal law, rule, or regulation. (740 ILCS 174/15(b)).

According to the Illinois Human Rights Act (775 ILCS 5/6-101), it is a civil rights violation for a person, or for two or more people to conspire, to retaliate against a person because he/she has opposed that which he/she reasonably and in good faith believes to be sexual harassment in employment, because he/she has made a charge, filed a complaint, testified, assisted, or participated in an investigation, proceeding, or hearing under the Illinois Human Rights Act.

An employee who is suddenly transferred to a lower paying job or passed over for a promotion after filing a complaint with IDHR or EEOC, may file a retaliation charge - due within 180 days (IDHR) or 300 days (EEOC) of the alleged retaliation.

V. CONSEQUENCES OF A VIOLATION OF THE PROHIBITION ON SEXUAL HARRASSMENT

In addition to any and all other discipline that may be applicable pursuant to municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreement, any person who violates this policy or the Prohibition on Sexual Harassment contained in 5 ILCS 430/5-65, may be subject to a fine of up to \$5,000 per offense, applicable discipline or discharge by the municipality and any applicable fines and penalties established pursuant to local ordinance, State law or Federal law. Each violation may constitute a separate offense. Any discipline imposed by the municipality shall be separate and distinct from any penalty imposed by an ethics commission and any fines or penalties imposed by a court of law or a State or Federal agency.

VI. CONSEQUENCES FOR KNOWINGLY MAKING A FALSE REPORT

A false report is a report of sexual harassment made by an accuser using the sexual harassment report to accomplish some end other than stopping sexual harassment or retaliation for reporting sexual harassment. A false report is not a report made in good faith, which cannot be proven. Given the seriousness of the consequences for the accused, a false or frivolous report is a severe offense that can itself result in disciplinary action. Any person who intentionally makes a false report alleging a violation of any provision of this policy shall be subject to discipline or discharge pursuant to applicable municipal policies, employment agreements, procedures, employee handbooks and/or collective bargaining agreements. In addition, any person who intentionally makes a false report alleging a violation of any provision of the State Officials and Employees Ethics Act to an ethics commission, an inspector general, the State Police, a State's Attorney, the Attorney General, or any other law enforcement official is guilty of a Class A misdemeanor. An ethics commission may levy an administrative fine of up to \$5,000 against any person who intentionally makes a false, frivolous or bad faith allegation.

This policy was drafted using the Illinois Department of Human Rights Sexual Harassment Model Policy and has been modified to conform to Public Act 100-0554.

BEFORE ADOPTING ORDINANCE, MUNICIPAL OFFICIALS SHOULD CONSULT WITH RETAINED LEGAL COUNSEL OR OTHER QUALIFIED ATTORNEY.

Service to Patrons with Disabilities

The FRANKLIN GROVE Public Library offers the same services to patrons with disabilities as to all other segments of the population. In addition to those services, the FRANKLIN GROVE Public Library acts as facilitator between the patron and Services to the Blind and Physically Handicapped, offers home delivery to patrons with disabilities which prevent them from coming to the library, and welcomes service animals in the library.

Sexual Harassment

The FRANKLIN GROVE Public Library strongly opposes sexual harassment in any form. Sexual harassment is against Library policy and is a violation of Title VII of the Civil Rights Act of 1964 as well as the Illinois Human Rights Act as amended on January 7, 1993. It is also unlawful to retaliate against a person who has lodged a complaint of sexual harassment.

A. WORK ENVIRONMENT

It is the policy of this Board that all employees have a right to work in an environment free of sexual harassment. Sexual harassment in the workplace includes unwelcome sexual advances, requests for sexual favors, and other verbal or physical conduct of a sexual nature when:

1. submission to such conduct is made either explicitly or implicitly a term of condition of an individual's employment;
2. submission to or rejection of such conduct by an individual is used as the basis for employment decisions affecting such individual; or
3. such conduct has the purpose or effect of substantially interfering with the individual's work performance or creating an intimidating, hostile, or offensive working environment.

Any employee who believes that he or she is being subjected to sexual harassment is urged to immediately report such conduct to the Administration in accordance with the Sexual Harassment Reporting Procedure.

B. LIBRARY EMPLOYEE/PATRON RELATIONSHIP

The Board affirms its commitment to ensuring an environment for all patrons free of sexual harassment. The Board views sexual harassment of patrons by Library employees as an abuse of authority and therefore such harassment will not be tolerated.

Sexual harassment of a patron by a Library employee means:

1. any sexual advance by an employee toward a patron;
2. any request by an employee to a patron for sexual favors;
3. any acceptance by an employee of a sexual advance or request for sexual favors from a patron; or
4. any conduct of a sexual nature by an employee directed toward a patron when (i) the patron's submission to or rejection of such conduct is either explicitly or implicitly a term or condition of a patron's participation in any library-sponsored activity, or (ii) such conduct has the purpose, or effect on a patron of reasonable sensibilities, of creating an intimidating, hostile, or offensive library environment for the patron. Any patron who suspects that she or he has encountered sexual harassment should report the incident to the head librarian or, if not immediately available, to her/him as soon as possible. Any employee who witnesses or has knowledge of sexual harassment by a Library employee against a patron shall immediately report it to the head librarian, or to their immediate supervisor.

C. EXAMPLES

Sexual harassment prohibited by this policy includes verbal, non-verbal, or physical conduct. The terms "intimidating," "hostile" or "offensive" as used above include conduct, which has the effect of humiliation, embarrassment or discomfort. Examples of verbal sexual harassment includes: explicit sexual propositions, sexual innuendo, suggestive comments, foul or obscene language, insults of a

sexual nature, and humor or jokes about sex or gender-specific traits. Examples of non-verbal sexual harassment include: suggestive or insulting sounds, leering, whistling, obscene gestures, display of foul or obscene printed or visual material.

Examples of physical sexual harassment include: sexual touching, patting or pinching of a sexual nature, intentional brushing the body, coerced sexual intercourse, and sexual assault.

D. DUTY TO REPORT SEXUAL HARASSMENT BY PATRONS TO FELLOW PATRONS

All Library employees have the affirmative duty to report incidents of sexual harassment perpetrated by patrons upon fellow patrons, whether witnessed firsthand or reported to them. Such incidents must be reported to the head librarian, or, to their immediate supervisor.

E. RETALIATION

It is a violation of this policy to retaliate or to take reprisal in any way against anyone who has articulated any concern about sexual harassment or discrimination against the person raising the concern or against another individual.

F. SEXUAL HARASSMENT REPORTING PROCEDURE

The following procedure shall be used by any patron or employee who suspects that he or she has been subjected to sexual harassment.

Step 1:

A. Reporting by Patrons

Any patron who suspects that he or she is the victim of sexual harassment by a Library employee or a fellow patron should report it to the head librarian as soon as possible.

B. Reporting by Employees

A complaint by a Library employee that sexual harassment has occurred shall first be presented to either the head librarian or to the employee's immediate supervisor. If the head librarian or supervisor is the subject of the complaint, then the complaint should be presented to the President of the Board.

Step 2:

If the alleged perpetrator of sexual harassment is a Library patron, normal disciplinary procedures should be followed. In all other cases, the head librarian shall meet with the complainant within three (3) days of receiving the complaint to discuss the allegations. If the complainant chooses to have a representative, then the head librarian may also have a representative; such meeting, however, shall be informal. The head librarian shall issue a written decision within five (5) days of the meeting.

Step 3:

If the complainant is not satisfied with the head librarian's decision, within five (5) days of the date of that decision, an appeal may be taken to the Board President or his designee (hereinafter the words "Board President" shall include designee).

The appeal shall be in writing and shall state the reasons for appealing the head librarian's decision. Within five (5) days of receiving the appeal, the Board President shall meet with the complainant, any representatives, and the head librarian to resolve the matter. The Board President shall issue a written decision within ten (10) days of this meeting. Any employee found to have sexually harassed a patron or

another employee, or retaliated against a patron or employee who alleges sexual harassment, will be subject to discipline up to and including discharge.

Step 4:

If the complainant is not satisfied with the Board President's decision, then within ten (10) days, an appeal of that decision may be made to the entire Board of Library Trustees. Such an appeal shall be instituted by filing with the Secretary of the Board a statement setting forth the reasons for the appeal. Within twenty (20) days of receiving an appeal, the Board or a committee hereof, shall meet with the complainant, the head librarian, and any representatives to discuss the allegations of discrimination. The hearing with the Board shall be informal, however, the complainant and the administration may present evidence, call and cross-examine witnesses. The Board may ask questions of the complainant, the administration, and any witnesses. The rules of evidence shall not apply, however, hearsay evidence shall not be presented for proof of any ultimate facts.

Within ten (10) days after the hearing, the Board shall issue its written decision.

All hearings shall be held in private and at times convenient for the parties. In the event that the person designated to hear a complaint is the alleged offender, then the employee may immediately move to the next step of the procedure. At any step, the person hearing the complaint may conduct or direct such investigation as they deem appropriate, including obtaining a response from the alleged offender. There shall be no harassment or retaliation by any person involved in the process for any reason.

Parents are responsible for the behavior of their children while they are in the Library. The FRANKLIN GROVE Public Library staff is committed to help children with activities related to the Library. Whenever advisable, the Library will notify the parent of incidents involving an unattended child. [Form follows]

Children under the age of eight must be accompanied and directly supervised at all times by a parent or other responsible caregiver. When the safety of an unattended child is in doubt, or the parent or responsible caregiver cannot be located, or if the Library is closing, Library staff is authorized to call the police and stay with the child until the police arrive.

From time to time the FRANKLIN GROVE Public Library schedules or provides programs which are designed and suitable for attendance by children without parental supervision. Such program announcements will so indicate and if no indication is included then supervision is required. When so indicated, if the parent or caregiver intends to be absent, they must leave information at the circulation desk as to their whereabouts and, if possible, a phone number where they or a responsible adult can be contacted.

Children over the age of eight may use the Library unattended by an adult, subject to other Library rules and policies concerning behavior, conduct and demeanor.
